

Attention Hyundai® and KIA® Car Dealers

Hyundai® and KIA® Vehicle Security

There is a nationwide increase of Hyundai and KIA vehicle thefts. These vehicles are being targeted because they came from the factory without engine immobilizers (Pre-November 2021).

VOXX Electronics Corp. the worldwide leaders in vehicle security & protection have you and your customers covered - TODAY!

We offer a wide range of Pursuit, Prestige, and AutoMate add-on vehicle security systems that integrate flawlessly with your OEM equipped keyless entry to enhance vehicle security – **including an engine immobilizer for those vehicles that do not come equipped from the factory!**

DON'T DELAY!

Schedule an appointment with one of our factory trained and certified VOXX Electronics Corp. Authorized Expeditors to learn more about these products and profit potential for your Dealership today.
